**MANY ADDITIONAL YOUTH ART
CLASSES THIS MONTH, PLEASE
CHECK OUR WEBSITE**

Greetings!

School is out for Summer! We look forward to the next 11 weeks of youth programs! Every week of summer there is at LEAST one class if not 4 being offered to keep the kids of all ages busy! In addition, we have added more weekly adult classes and more to do in our open studio as a family or with friends!

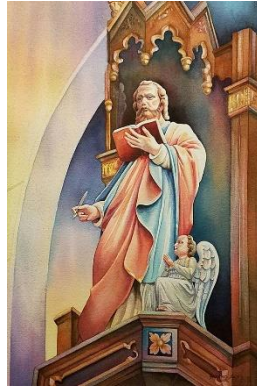

New Summer Programs for 4yr – 6yr olds!

Do you have a little one that LOVES doing Arts and Crafts? Introducing Kari Butcher! Kari is excited to share her talents with your children this summer! And we can't think of a better way than with this enthusiastic age group! And no better place than our youth art room where they can get messy and build social skills, too! Not to mention, it will give parents 4 hours every week to reboot without the little ones. Participants will cut, paste, tear, paint, draw and build creative items each week! And not just 2-D, but also 3-D art will be constructed. They will learn about the artwork in their favorite children books, famous artists like Picasso and making creative snacks! Visit our website or call for all details or to register. Cost of the class has recently been lowered to just \$35/week and meets for 2 hours on Tuesdays and Thursdays. Check our website for a complete listing of dates, times and themes. 712-546-7476

“Beauty All Around Us”

Jean Weiner’s exhibit “Beauty All around Us” is on exhibit throughout the month of June. Our Art Gallery is free to the public and Jean’s reception will be on Saturday, June 3, 10:00 am – Noon. Jean will be here and delighted to share her process and inspirations with you. The exhibit will be all original artwork, but prints and cards will also be for sale in our gift shop thru out the month. Jean Weiner has artwork accepted into an international show and has won many awards and recognition with her work. Jean also instructs watercolor class here at the Le Mars Arts Center every Wednesday evening from 6:00 – 8:00 PM throughout the entire year. We hope you will stop in and see the variety of artwork available by Jean.

Drawing Classes with Hope

Basic drawing classes with artist Hope Wallen started in May, continued in June and now will be offered **every month!** Class is 6:30 – 8:30 PM and meets every Thursday. This is a great foundation class to any future art medium because almost every artist draws or sketches something out before getting started. Classes are kept small at 2 to 4 students in order for Hope to work with each participant individually. First month of class includes supplies you keep and continue to use throughout the month and at home. Additional consumable supplies can be purchased on your own or thru the Arts Center for your convenience. Pre-Registration is required. 14yrs and up.

Ice Cream Days – Reserve your Pottery

We will be hosting a Raku Firing demonstration and “make and take” following the Ice Cream Days Parade! Paul Adamson from Sioux City will be setup on the North side of our building to demonstrate the art of Raku firing. Choose a piece of pre-thrown pottery, glaze it and watch it thru the process of raku firing that day. Stop or call to reserve your piece and time frame for June 17. Price is just \$30 per pot and will be an amazing and unique commemorative item!
